Objective

Student of Accounting Study Program at STAN Polytechnic of Finance State (PKN STAN) with background in Mathematics education at UGM. The analytical, logical, and programming skills I acquired at UGM are now being applied to economics and accounting at PKN STAN. My experience as the secretary of KMFM UGM shows my organizational and communication skills that have an impact, successfully increasing the engagement of Islamic content among FMIPA Muslim students by 48%.

Education

Gadjah Mada University

Aug 2021 – Sept 2023
